

Comments from Hewlett's Creek Public Meeting 6/12/07

Two comment forms were received after the meeting. These were the only comment forms submitted. The comments were:

"Well organized; good presentation" received from Mr. David Smith.

"Please hurry – and keep an eye on time management. Better notification for general public when scheduling meetings." From Mr. Keith Smalley.

The City appreciates its citizens for their involvement at the public meeting and is always eager to receive comments from the public.
